## Personalized Brick Paver Program to Support the Hearts to Homes Capital Campaign

Join us in creating a Path of Kindness leading into the new shelter by purchasing a personalized brick paver for you and/or your family. Our hope is to show the men, women and children served by the shelter that they are loved and supported by many individuals, organizations, businesses and faith communities. Bricks can be purchased in Memory or Honor of a loved one or to leave your own legacy.

The Hearts to Homes Capital Campaign includes the renovation of the existing shelter and the building of a new, two-story, 12,642 sq.ft. facility adjacent to the current shelter. For more information about the campaign, please visit [www.ALSHeartsToHomes.org](http://www.ALSHeartsToHomes.org).
